Deletion _____

Correction _____

Name addition:

USGS name Wesley Creek

Local name _____

For Office Use

Nomination # 85-481

Regional Supervisor 1/25/85 Date 1/24/85

Drafted Date

Species	Date(s) Observed	Spawning	Rearing	Migration
Arctic Char	8/13/1979			—

Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

At least one char was observed to be nearly 24", roughly the size of char caught in Kotzebue sound.

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.

Name of Observer (please print) JIM MAGDANZ

Date: JAN 16, 84 Signature: [signature]

Address: BOX 1674

NOME, AK

Signature of Area Biologist: [signature] Name

Here are the nomination forms for Sunset & Wesley Creek. Please fill in needed information (dates observed, Life stage etc) and also please state why the arctic char are believed to be anadromous.

Please then send the nominations to Scott Brundy in Fairbanks (Habitat Division)

Thanks
