JUSTIFICATION:

This emergency order closes the elk hunting season in registration permit hunt area RE755 on all portions of Afognak, Kodiak, and adjacent islands. The Southwest hunt area and a portion of the Remainder hunt area was closed at 11:59 p.m. on October 22, 2021. The herds comprising the hunt area are estimated to include a total 945 elk. To maintain a stable to slightly increasing population, a harvest target of 95 elk was established for the unit-wide hunt area. As of November 2, 2021, the reported harvest is 86 elk. This closure is necessary to prevent unsustainable harvest.
