FROM: Lance L. Trasky
Regional Supervisor
Region IV
Habitat Division
Department of Fish and Game

SUBJECT: 1986 Changes to Anadromous Waters Atlas

Region IV has carefully reviewed the 108 maps depicting proposed changes to the 1986 update of the Anadromous Waters Atlas. We have found that the following maps require corrections:

Taylor Mts. C-5, C-6 and D-5
Sleetmute A-8 and B-3
Russian Mission A-1

The maps showing the recommended corrections are attached. If you have any questions concerning these comments please contact Kim Sundberg.
