Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

Three adult sockeye observed resting in Glacier Creek at confluence with tributary at north end of Girdwood Airstrip (Section 9) T 10 N, R 2 E, Sec 9 S. M.

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
