|---|---|---|---|---|
| Coho salmon | 10-9-86 | | X | |
| Chinook salmon | 10-9-86 | | X | |
| | | | | |
| | | | | |

Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

The portion surveyed below the road flows on the east side of a horse pasture and into a marsh area and large backwater slough of Little Susitna River. Rearing habitat above survey looked good but time prevented further investigation.

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
