

RB699 Brown Bear Registration Permit Hunt

AREA DESCRIPTION: Unit 22.

SUBSISTENCE REGULATIONS WITHIN BROWN/GRIZZLY BEAR SUBSISTENCE AREAS:

One bear per regulatory year.
 All edible meat must be salvaged for human consumption.
 No tag required, but you must register to hunt.
 Hide and skull need not be sealed unless removed from subsistence area or presented for commercial tanning; if sealing is required it must be completed by an authorized sealing agent; at the time of sealing the skin of the head and front claws are removed and kept by ADFG.
 No use of aircraft for subsistence hunting in Units 21D, 22, 23, 24, and 26A. See units for season dates.
