Name addition:

USGS name

Local name Buster Creek

For Office Use

Nomination # 90 267

Regional Supervisor — Date 11/15/89

Drafted — Date

Species	Date(s) Observed	Spawning	Rearing	Migration
PINK	9-25-89	/		

Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

PINK SALMON EGGS DUG FROM STREAM SUBSTRATE
Pink carcasses present in the intertidal zone. Pink salmon adults had been observed in the area during previous aerial surveys.

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
