Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and International Boundary Commission

Topography by photogrammetric methods from aerial photographs taken 1948. Field checked 1955. Map compiled 1956. Map not field checked.

Universal Transverse Mercator projection. 1927 North American datum
10,000-foot grid based on Alaska coordinate system, zone 1
1000-meter Universal Transverse Mercator grid ticks, zone 9, shown in blue

Gray land classification, surveyed and unmarked locations predetermined by the State of Alaska, Division of Lands. Copper River Meridian.

Swamps, marshes, and land with no surface drainage, usually of low relief, are interpreted from aerial photographs.
