REGIONAL OFFICE

Species	Date(s) Observed	Spawning	Rearing	Migration
Pink	9/19/84	X		

Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

Several thousand pink salmon observed spawning in this stream. Local residents have subsisted on fish from this stream for years

add Stream # 102-60-10987

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
