From Stewart Seaberg 11/2/89

Jack Gustafson and I talked about the steepness of the streams on the East side of Polk Inlet on Quad Craig B-2. He agreed that these must be too long and to delete all stream segments above 500 feet for streams #102-60-10320, #102-60-10330 and # 102-60-10340.
