2014 Yukon River Fall Salmon Fishery News Release # 31
Fall Announcement # 26, District 6 Commercial Fishing Schedule
Districts Affected: Upper Yukon Area

District 6

Effective 6:00 p.m. Friday, August 29, commercial fishing in District 6 will be open for two 42-hour fishing periods per week from 6:00 p.m. Fridays until 12:00 noon Sundays, and from 6:00 p.m. Mondays until 12:00 noon Wednesdays. Gillnets will be restricted to six-inch or smaller mesh. **Currently there are no buyers operating in District 6. Commercial fishermen must identify their buyer prior to fishing.** Processors, catcher sellers, or direct marketers are required to notify the department of their intent to operate by contacting the Fairbanks office at 459-7274.

All salmon harvested during commercial fishing operations must be recorded on a fish ticket at the time of sale. Salmon harvested and not sold should be recorded on the fish ticket as "not sold". Other fish species caught but not sold must also be recorded on the fish ticket.

These commercial fishing periods do not affect the current subsistence or personal use fishing schedules.

Recorded fishery announcements and updates are available 24 hours a day at **1-866-479-7387** or in Fairbanks call **459-7387**. If you have any questions regarding this report, please call the Fairbanks ADF&G office at 459-7274.

This is an announcement by the Alaska Department of Fish and Game in consultation with the U.S. Fish and Wildlife Service.
