

Chair Johnstone,

The Kenai/Soldotna Fish & Game Advisory Committee comments on Proposal 125, 151, and 281 are not represented properly in the Proposal Index of Comments. The Kenai/Soldotna Fish & Game Advisory Committee supported these proposals and they are referenced only in general comments.

Proposal 152 shows the AC is in support and we took no action.

Respectfully submitted,

Christine Brandt, Secretary  
Kenai/Soldotna AC
