Comments: Please provide any clarifying information. Also, please include a map of the area identifying the stream reach. This can be a copy of the map from the Anadromous Waters Atlas.

add steelhead trout to this entire system
Ken Manthey and Pete Murray (ADF&G staff) collected coho with a beach seine from Buskin River for hatchery egg take. In the process we netted 5 adult steelhead. this occured on 2 Nov 1983 see back →

Name of Observer (please print) Ken Manthey
