Amend Proposal 26 as follows:  
from January 20<sup>th</sup> or the opening of the PWS pelagic trawl fishery, whichever occurs first, until February 28, trawling for walleye pollock shall be limited to vessels 58' and under.

vessels shall be limited to 100,000 lbs per trip.

Tender vessels shall be allowed to transport pollock harvested in this fishery

A trip shall be when 100,000 lbs is caught, or 24 hrs after commencement of fishing effort, whichever occurs first.

Pollock must be delivered within 24 hrs of completion of the trip

→ Beginning March 1, the trip limit shall increase to 300,000 lbs and the 58' limit lifted
