Local name East Little Red Fox

For Office Use

Nomination # 91 109

Regional Supervisor — Date 12/4/91

EWW — 1/23/92

Drafted — Date 1/16/92

Species	Date(s) Observed	Spawning	Rearing	Migration
~~Coho~~		~~X~~		
Pinks	8/31/88	schooled at	mouth of stream	

Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

Approximately 200 Pink salmon schooled at entrance to stream. No stream survey due to time constraint. Due to location and conditions of fish and stream habitat it is assumed that these fish are destined to spawn in the stream

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
