

Clarence Straits should open from March 1st until June 1st for longline gear or pot gear. From June 1st to August 15th it should be left longline only. From September 1st to October 1st it should be the 3 original pot permit holders. After October 1st it should open for anyone that has quota left, and they should be able to use longline or pot gear until it closes on November 15th.

Proposals 131-134
