**Finding of Emergency**

The Board of Fisheries (board) heard from the Alaska Department of Fish and Game (department) on its initial finding of emergency regarding the two petitions on the commercial salmon set net fishery in Upper Cook Inlet. In its August 1, 2021 response, the department did not find an emergency for either petition.

After review and discussion, the board concurred with the department and did not find an emergency for either petition.

**Miscellaneous Business**

1. **United Cook Inlet Drift Association petition:** Executive Director Glenn Haight noted the board had received another emergency petition from the United Cook Inlet Drift Association late Friday afternoon. The petition would be handled through the board's delegation to the department.

The meeting adjourned at 11:10am.
