Alaska Board of Game
2003-139-BOG

A resolution of the Alaska Board of Game Concerning Management of Kenai Peninsula Brown Bear Mortality.

Be it resolved that the Board of Game recommends that the Department manage brown bears in Game Management Units 7 and 15 so that total human-caused mortality does not exceed twenty bears per year.

Vote: 7-0

Adopted this 11th day of March, 2003
Anchorage, Alaska

Mike Fleagle, Chair
Alaska Board of Game
