All proposals must contain an individual's name or an organizational name if appropriate, contact telephone number, and address.

Providing clarity on the proposal form helps the board, advisory committees, and the public

more fully understand the proposed regulatory changes. Proposals that are incomplete or unclear may be omitted from the proposal book. You are encouraged to contact the Boards Support Section staff if you have questions or need assistance with completing the proposal form.

All proposals are reviewed and formatted prior to publication. Proposals published in the proposal book will be referenced with the appropriate Alaska Administrative Code citation and include a brief description of the action requested. Emotionally charged language will be eliminated as it detracts from the substance of the proposal, may draw opposition not germane to the element(s) of the proposal, and may elicit nonresponsive charges from the public/board members. Proposals not meeting this call will not be published.

Following publication, proposal books will be available to the advisory committees, agencies, and the public for review and comment. Proposals will be available online at [www.boardofgame.adfg.alaska.gov](http://www.boardofgame.adfg.alaska.gov).

Proposals received per the above "Call for Proposals" deadline will be considered by the Board of Game at a special meeting scheduled for March 2017. Dates and location for the meeting have not yet been set.
