Under the Authority of AS 16.05.060

Emergency Order No. 04-05-18

EXPLANATION:

This emergency order closes the drawing (DC485) Nelchina caribou state hunt within Game Management Unit 13 for the remainder of the fall season on Sunday, August 26 at 11:59 p.m. This emergency order does not affect any other caribou hunting regulations in Unit 13.

REGULATION:

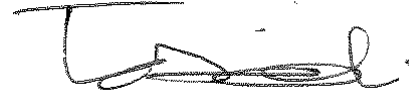

Therefore, the provisions of **5AAC 85.025 (a) (8), Hunting Seasons and Bag Limits for Caribou**, are superseded by this emergency order, and the following provisions are effective:

Units and Bag Limits	Resident Open Season (Subsistence and General Hunts)	Nonresident Open Season
(8)		
Unit 13		
...		
1 bull every regulatory year by drawing permit only; or	Aug. 20– Aug. 26 Oct. 21–March 31	No open season
....		

All other caribou hunting regulations remain unchanged and are not affected by this emergency order.

Sam Cotten
Commissioner

By delegation to:

Todd A. Rinaldi
Regional Management Coordinator

JUSTIFICATION:

To maintain the population objective of 35,000–40,000 Nelchina caribou, harvest quotas are modified annually. The harvest quota for the Nelchina caribou herd for the 2018–2019 season is 1,400 bull caribou. The department believes that harvest of approximately 1,400 bull caribou from the state season and additional federal harvest can be taken sustainably while allowing for modest growth and providing for subsistence opportunity. The 2018–2019 quota for the drawing DC485 hunt is 250 bulls. To date, the reported DC485 harvest is 121 bulls and we expect the harvest quota for DC485 to be reached by the date and time of closure.
