

March 1, 2013

Chairman Johnstone and members of the Board,

Attached is a calendar that shows the fishing schedule with more meaningful windows that I suggested during the committee of the whole yesterday afternoon.

It would alternate 36-hour fishing periods with 48-hour closure windows, and ending the June season at 6PM on June 29.

Respectfully,

A handwritten signature in black ink, appearing to be 'Art Nelson', written over the word 'Respectfully,'.
