Substitute regulatory language for Proposal 206

5 AAC 09.369(b) is amended to read:

5 AAC 09.369. Northern District Salmon Fisheries Management Plan.

(n) From June 20 through July 31, the department shall manage the Bear River, Three Hills, Ilnik, and Outer Port Heiden Sections to conserve Bear and Nelson River sockeye salmon stocks by allowing the passage of sockeye salmon from the northeast to the southwest of Northern District as described in this subsection. Notwithstanding the provisions of 5 AAC 09.320, from June 20 through July 31, the commissioner shall, by emergency order, establish fishing periods for the Bear River, Three Hills, Ilnik, and Outer Point Heiden Sections during which the waters that are between a line that is one and one-half miles seaward of the baseline and the three-mile seaward boundary described in 5 AAC 09.301 are closed for one 24-hour period during a seven-day period. The areas located to the southwest of the open area will have sequential closures that allow fishing in the waters out to one and one-half miles from the baseline for the first 24 hours of a fishery.
