Re: Proposal # 9 - 5 AAC 67.022. Special Provisions for seasons, bag, possession, and size limits and methods and means in the Bristol Bay Area. Limit Guide access to Naknek River.....

Mr. Chairman and members of the Board,

I respectfully request that this proposal be withdrawn. There are legal issues which require further consideration which I am not prepared to address at this time. I am confident that there is an answer to the problem as described in my proposal comment. The problem is real and growing however. I intend to work with our local AC of which I am a member along with members of the community, ADF&G and the Department of Law to rectify this issue.

Thank You for Your consideration,

Sincerely,

Joe Klutsch
