

Chairman Johnstone and Board Members,

RE: Proposal 281

I would like to amend Proposal 281 to read as follows:

5 AAC 77.540. Upper Cook Inlet Personal Use Salmon Fishery Management Plan.

(c)(1)(B) the annual limit is as specified in 5 AAC 77.525, except that only one king salmon 28" and under may be retained per household;

Justification, with the concern of lower king returns to the Kenai River this would harvest 1.1 and 1.2 kings and let the 1.3, 1.4 and 1.5 move into the river for spawning.

Christine Brandt
