Chairman and members of the board of fish,

The Copper River Prince William Sound advisory committee would like to support the efforts of C.D.F.U. Any way we can in establishing a tanner crab fishery for Prince William sound. The committee submitted a proposal last board cycle trying to do this please allow a harvest strategy to be put in place that would allow a fishery to take place .

Thank You John Renner chair C.R.P.W.S./A.C.
