

Submitted by the Alaska Department of Fish and Game at the request of Board Member Cain.  
April 24, 2018

**Substitute language for Proposal 242.**

5 AAC 30.350(a)(12) is amended to read:

...

(12) Tsiu/Tsivat River: **north of 60° 5' N. lat., and west of 143° 4' W. long.**  
[UPSTREAM OF AN ADF&G REGULATORY MARKERS LOCATED APPROXIMATELY  
ONE-HALF MILE DOWNSTREAM FROM DUCK CAMP ISLAND]

...

This is the latitude of the Proposal 242 marker location on the Tsivat River and the longitude of the Proposal 242 marker location on the Tsiu River as depicted on page 10 of RC3.

By designating closed waters using latitude and longitude lines subjectivity in placement of closed water markers is reduced while maintaining viable closed waters designation under shifting river conditions.

# Regulatory Marker Locations on the Tsiu and Tsivat Rivers 2018 Imagery

- Department Implemented
- Defined in Regulation Prior to 2018
- Proposed to the Board in 2018
