As you sit down to determine the fate of Alaska's wildlife, the very creatures that bring tourists in droves, I am asking you to consider two possible votes of YES. Please Vote "Yes" to Stop Bear Snaring and "Yes" to Create a No-Trapping Buffer Zone Adjacent to Denali!

Please make a stand for the bear and the wolf, because without you there will be none them. Their offspring and future generations depend on you to make the right choice.
