

Dear BOG,

I support Proposal 105, to ban bear snaring. I support and want to amend Proposal 86, to establish a no-take wolf buffer east of Denali National Park.

As the original author of Proposal 86, I wish to expand the area to be considered for closure, in addition to that already requested in GMU 13 in Proposal 86, to include the following area in GMU 20:

Take of wolves is prohibited on state lands (GMU 20), in the area bounded on the west by the east boundary of Denali National Park; extending east to one mile east of, and parallel to, the Anchorage-Fairbanks Intertie Electrical Power Line; on the south by Carlo Creek; and on the north by a line from the southeast corner of Township 11S, Range 9W (Latitude 63 degrees, 55 minutes North), due east to the George Parks Highway, then south along the Parks Highway to a line running due east from the Highway through the town of Healy, to one mile east of the Intertie Line; inclusive of all State lands west of the George Parks Highway commonly referred to as the "Wolf Townships," and/or "Stampede Trail."

Thank you.
