Other applicable regulations:

5 AAC 92.003. Hunter education and orientation requirements. (j) A hunter 10 through 17 years of age participating in a youth hunt must have successfully completed a department-approved basic hunter education course.

5 AAC 92.130 (e) A hunter who is under 10 years of age may take big game only under the direct, immediate supervision of a licensed hunter who is at least 16 years of age. The supervising hunter is responsible for ensuring that all legal requirements are met. The big game animal taken will count against the supervising hunter's bag limit. This section does not relieve an individual from complying with big game tag requirements, but does require a supervising hunter to validate the hunter's harvest ticket, or permit, in accordance with 5 AAC 92.010, immediately following the taking of big game under this section.

5 AAC 92.990(a)(87) “youth hunt” means a hunt limited to a child aged 10 – 17 and an accompanying adult; if the child is a

- (A) resident, the accompanying adult may be any licensed resident hunter 21 years of age or older;
- (B) nonresident, the accompanying adult must be a licensed resident hunter 21 years of age or older who is a parent, stepparent, or legal guardian of the child;

The department intends to have permits available only in Haines and Skagway, and will be available at the same time other registration permits are available (mid-July).
