Board Of Game

Artic /Western Region Game Board Meeting

Board Members,

We realize our comment letter of January 4, 2017 did not reference the proper area. We made reference to Area 15C, which in fact, should have been Area 15C, Areas North of Kachemak Bay and the Fox River Flats.

Please accept this correction along with our original comments.

Respectfully,

Roberta Highland

President

Kachemak Bay Conservation Society
