hunted + fished + gathered foods.

- 1- Cultural - grew up hunting @ Paxson, picking berries @ the same time
2. Afraid to hunt - too many weekend warriors
3. Traditions -
4. Community hunt

RC 33

- Locking tags
- Maybe doing separate hunts for the Copper Basin people - non-native + native
- Too many out of area hunters over take our hunting grounds
- Would like to see less use of ATVs and other off road motorized machines, scares game off, tears up the grounds, less
- ~~They mentioned~~ food for the moose + caribou all because of ATV
- Online reporting not working, even the mail reporting
