

RESOLUTION OF THE ALASKA BOARD OF GAME

WHEREAS, the Alaska Department of Fish and Game is preparing information from recent data surveys addressing the issues regarding proposals at the Spring 1992 Board of Game meeting for controlled use areas and special management areas in Game Management Units 19A and 19B, and

WHEREAS, the legal notice for the Spring Board of Game meeting is sufficient for the Board to generate its own proposals regarding seasons and bag limits for moose in 19A and 19B,

THEREFORE, BE IT RESOLVED: that the Board resolves to address the issues contained in the Superior Court's Order in the case of Sleetmute v. State as well as any decision by the Supreme Court in Morrey v. State at the Spring 1992 Board of Game meeting.

DATED this 31st day of January, 1992.

Douglas Pope
Chairman
Alaska Board of Game
