JUSTIFICATION:

The Alaska Board of Game established a registration permit hunt for bull moose in the Unit 18 Kuskokwim River hunt area. The moose population in this portion of Unit 18 is estimated at approximately 1300 moose and a harvest quota of 100 bull moose has been established by the department to prevent overharvest of bulls. Hunting began on September 1 and harvest rates show that the harvest quota of 100 bulls will be reached by September 6, 2011. Hunters are reminded to report their harvest within 24 hours to the Bethel ADF&G office. Unsuccessful hunters and hunters that did not hunt need to report by September 25, 2011.
