

AN ALASKA SPORT FISHING LICENSE IS REQUIRED FOR ALL RESIDENT ANGLERS 18 YEARS OF AGE AND OLDER, AND NONRESIDENT ANGLERS 16 YEARS OF AGE AND OLDER TO FISH IN ALL FRESH AND SALT WATERS IN ALASKA.

A sport fishing license must be in the angler's actual possession, must be signed, and may be in paper or electronic form.

In accordance with the regulations outlined in this summary booklet, a sport fishing license allows you to take, or attempt to take finfish or shellfish in the fresh and salt waters of Alaska. Additionally, if fishing for king salmon, you may need a king salmon stamp and/or a harvest record card. See page 5 for exemptions.

Your sport fishing license, PID, or DV must be in your possession while you are sport fishing.

All persons engaged in sport fishing or in possession of sport-caught finfish or shellfish must show their sport fishing license, required harvest record card and/or king salmon stamp, and their harvest to any representative of ADF&G or any peace officer of the state, upon request.

No person may alter, loan, or transfer to any other person any sport fishing license; and no person may use any license issued to another person.

If your sport fishing, hunting, or trapping license is revoked in any state, you may not obtain an Alaska sport fishing license.

A resident of Alaska is a person who for the preceding 12 consecutive months, has maintained a home in Alaska with the intent to stay, and who is not claiming residency (or receiving benefits under a claim of residency) in another state, territory, or country. Benefits include but are not limited to applying for a resident fishing and hunting license in another state, obtaining a driver's license in another state, or receiving benefits or paying taxes as a resident of another state.

Active duty military personnel and their dependents stationed in Alaska for the preceding 12 months may purchase a resident sport fishing license regardless of benefits received in another state. Resident sport fishing regulations apply.

Those permanently stationed in Alaska for less than 12 months may purchase a nonresident military sport fishing license and a nonresident military annual king salmon stamp at reduced rates and are considered nonresidents. Please note nonresident sport fishing regulations apply.

Harvest records are required by ALL anglers when harvesting any species with an annual limit. Species with an annual limit are listed in the general regulations section.

Areas to record harvested species with an annual limit are printed on each sport fishing license.

A harvest record card is required for resident anglers under 18 years old, nonresident anglers under 16 years old, and PID or DV licensed anglers.

Immediately upon landing and retaining a fish that has an annual limit, all anglers must enter the species, date, and location **IN INK** on the harvest record portion listed on the back or front of their sport fishing license or on a harvest record card.

A person obtaining a duplicate or additional license or harvest record card must transfer their harvest records of species with annual limits previously landed during the current year to their new license or harvest record card.
