JUSTIFICATION:

The Alaska Board of Game established a registration permit hunt for antlered bull moose in the Unit 18 Kuskokwim Area hunt area. The moose population in this portion of Unit 18 is estimated at approximately 1900 moose and a harvest quota of 150 antlered bull moose on State Managed Lands has been established by the department to prevent overharvest of bulls. Hunting began on September 1 and harvest rates show that the harvest quota of 150 antlered bulls will be reached by September 5, 2016. Unsuccessful hunters and hunters that did not hunt need to report by September 25, 2016.
