Permits Available for GMU 22 Alaska Brown Bear and Moose Hunts

(Nome) – Surplus drawing permits for brown bear and moose hunts in Northwest Alaska are still available on a first come-first served basis to hunters whose faxed, mailed, emailed or in-person applications are received at the Nome ADF&G office. Applications will continue to be accepted until all permits are issued.

Regulations approved by the Board of Game allow ADF&G to issue undersubscribed permits at the discretion of hunt managers.

To receive a permit, applicants must submit a completed ***Undersubscribed Hunt Application*** by fax, by mail, by email or in person to the Nome ADF&G office. Applications are available from the Division of Wildlife Conservation web-site or from DWC offices. Hunters are limited to 1 application per hunt. Agents may not submit applications on behalf of a hunter.

Emailed applications will be accepted at dfg.dwc.gmu22@alaska.gov

Specific information for these hunts can be found in the 2022-2023 Alaska Drawing Permit Hunt Supplement available at ADF&G offices, or online at www.hunt.alaska.gov. Hunters can go directly to <http://www.adfg.alaska.gov/index.cfm?adfg=huntlicense.undersubscribed> to access the Undersubscribed Hunt Application and the Drawing Permit Hunt Supplement which fully describes hunt conditions.

Hunters with questions about the application process for these hunts can call the Nome ADF&G office at (907) 443-2271.
