Cora Campbell
Commissioner

By delegation to:

Brian Marston
Yakutat Area Management Biologist
Division of Sport Fish

JUSTIFICATION:

Surveys in 2013 conducted by the Department indicate the Yakutat area Dungeness crab stocks are not rebuilding following the closure of the commercial fishery in 2000. Since 2005 the Dungeness crab sport fishery in the Yakutat vicinity has also been closed. Estimates of sport Dungeness crab harvest prior to 2005 also indicated a declining trend in the Yakutat area Dungeness crab stocks. Because all indications suggest that the stock is not rebuilding, the sport fishery will continue to be closed in 2013.
