**Announcing SOAR's Shellfish Growers Resiliency Fund:**

***Webinar and Q&A for the Small and Large RFP***

**Subject:** Join us – SOAR Shellfish Growers Resiliency Fund Webinar and Q&A

The Nature Conservancy and The Pew Charitable Trusts' [Supporting Oyster Aquaculture and Restoration \(SOAR\) program](#) issued a request for proposals (RFP) for the new \$1 million Shellfish Growers Resiliency Fund (Fund) on March 29, 2021. The Fund aims to pave the way for a more resilient and sustainable U.S. shellfish industry that benefits the ocean and the communities which rely upon it.

**On Wednesday, April 28<sup>th</sup>, 2021 from 4:00 – 5:30 pm EST** the SOAR program will be hosting a virtual webinar and Q&A for the broader U.S. shellfish aquaculture community. Participants will have an opportunity to learn more about the Fund, as well as better understand the small and large RFP application processes, priorities, eligibility requirements, etc. There will also be time at the end of the webinar to ask questions.

The meeting will take place via Zoom. Please use the link below to register for the webinar. The call will also be recorded and sent to anyone who is unable to attend.
