Subject: Commisioner
Date: Friday, January 09, 2015 5:12:43 PM

Dear Glenn,
We at Alaska Shellfish Farms think Sam Cotton would be the most qualified as Commissioner of the Alaska Department of Fish and Game. Sam is very knowledgeable in fisheries science, regulation for both commercial, subsistence and recreational fishing as well as being a lifelong Alaskan. We hope that Sam is chosen to represent Alaskan fisheries interests.

Sincerely,
Weatherly and Greg Bates
