Dear Sir,

I am writing in regards to the position of Alaska's Fish and Game Commissioner, I and all of the Russian Community residents of Alaska support Dr. Roland Maw for that position. ~~Dr. Roland~~

Dr. Roland is a strong advocate for our fish and game to be managed on science so that renewable resources can be abundant for many years forward, he is a resident of Alaska for most of his life so he knows first-hand what's needs to be done and also he has extensive qualifications in science and biology background, please refer to his resume on all his accomplishments. Thank you,
