Chinook salmon	July 25, 1996			✓

ALASKA DEPT. OF FISH & GAME
JAN 3 – 2002
REGION II
HABITAT AND RESTORATION DIVISION

Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

Two chinook salmon were observed migrating approximately 1½ miles upstream from the mouth of Nome Creek

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
