Subject: FDD Nominations

Hello J,
Please find enclosed three Fish Distribution Database nomination (FDDN) packets for Tanana River flats area inventory work that was conducted during 2007. I have contacted Audra Brase and am following her direction on routing these FDDNs to you for review. Once you have completed your review, pending any editing or additional materials needed, it is my understanding that you then forward them to Audra for her approval signature.

Please contact me with any questions or comments you have, phone – 907-456-0402 or ray_hander@fws.gov.

Thank you for the help,

Sincerely,

Raymond L. Hander
