Subject: AWC question - Canyon Creek Tyonek D5

N_Canyon_Lake
_mixup.jpg

Hi,

It looks as if in the AWC, there is a mixup of stream and lake by Canyon Creek (drains into the Skwentna). The Canyon Creek arc is labeled as Canyon Lake, and Canyon Lake (1/2 mile) from the Skwentna is not marked as anadromous. (Tyonek D5, 247-41-10200-2053-3205-4067)

Change name to Canyon CR
