		Cartographer	Date

OBSERVATION INFORMATION

Species	Date(s) Observed	Spawning	Rearing	Present	Anadromous
Coho	October 23 2003			adult	<input checked="" type="checkbox"/>
					<input type="checkbox"/>
					<input type="checkbox"/>
					<input type="checkbox"/>

IMPORTANT: Provide all supporting documentation that this water body is important for the spawning, rearing or migration of anadromous fish, including: number of fish and life stages observed; sampling methods, sampling duration and area sampled; copies of field notes; etc. Attach a copy of a map showing location of mouth and observed upper extent of each species, as well as other information such as: specific stream reaches observed as spawning or rearing habitat; locations, types, and heights of any barriers; etc.

Comments: This nomination is an addition in both species life stage and location. Extend 212-10-10020-3022-4031
Add Copto 212-10-10020-3022
 Sitings of adult coho salmon where witnessed on 10/23/2003 in the Glacier River tributaries located on the Cordova Airport Property. Supporting nomination documents include photos (Cordova airport aerial and habitat), anadromous waters map, and photocopies of site visit notes (attached). ADD Copto 212-10-10020-2007-3022-4067
 Adult coho salmon were sited at three differing locations on the airport property including: MOVE -4067 ARE OLD -5004
 1) one adult coho was sited immediately downstream of the one-lane ADOT bridge that spans the stream (southeast of the USCG building);
 2) Four adult coho were sited in the "ponded" area at the northeast end of , and adjacent to the runway, and
 3) Five adult coho were sited in the portion of the stream that runs underneath the access road into the airport proper on the west side of the road.. 1000R P1

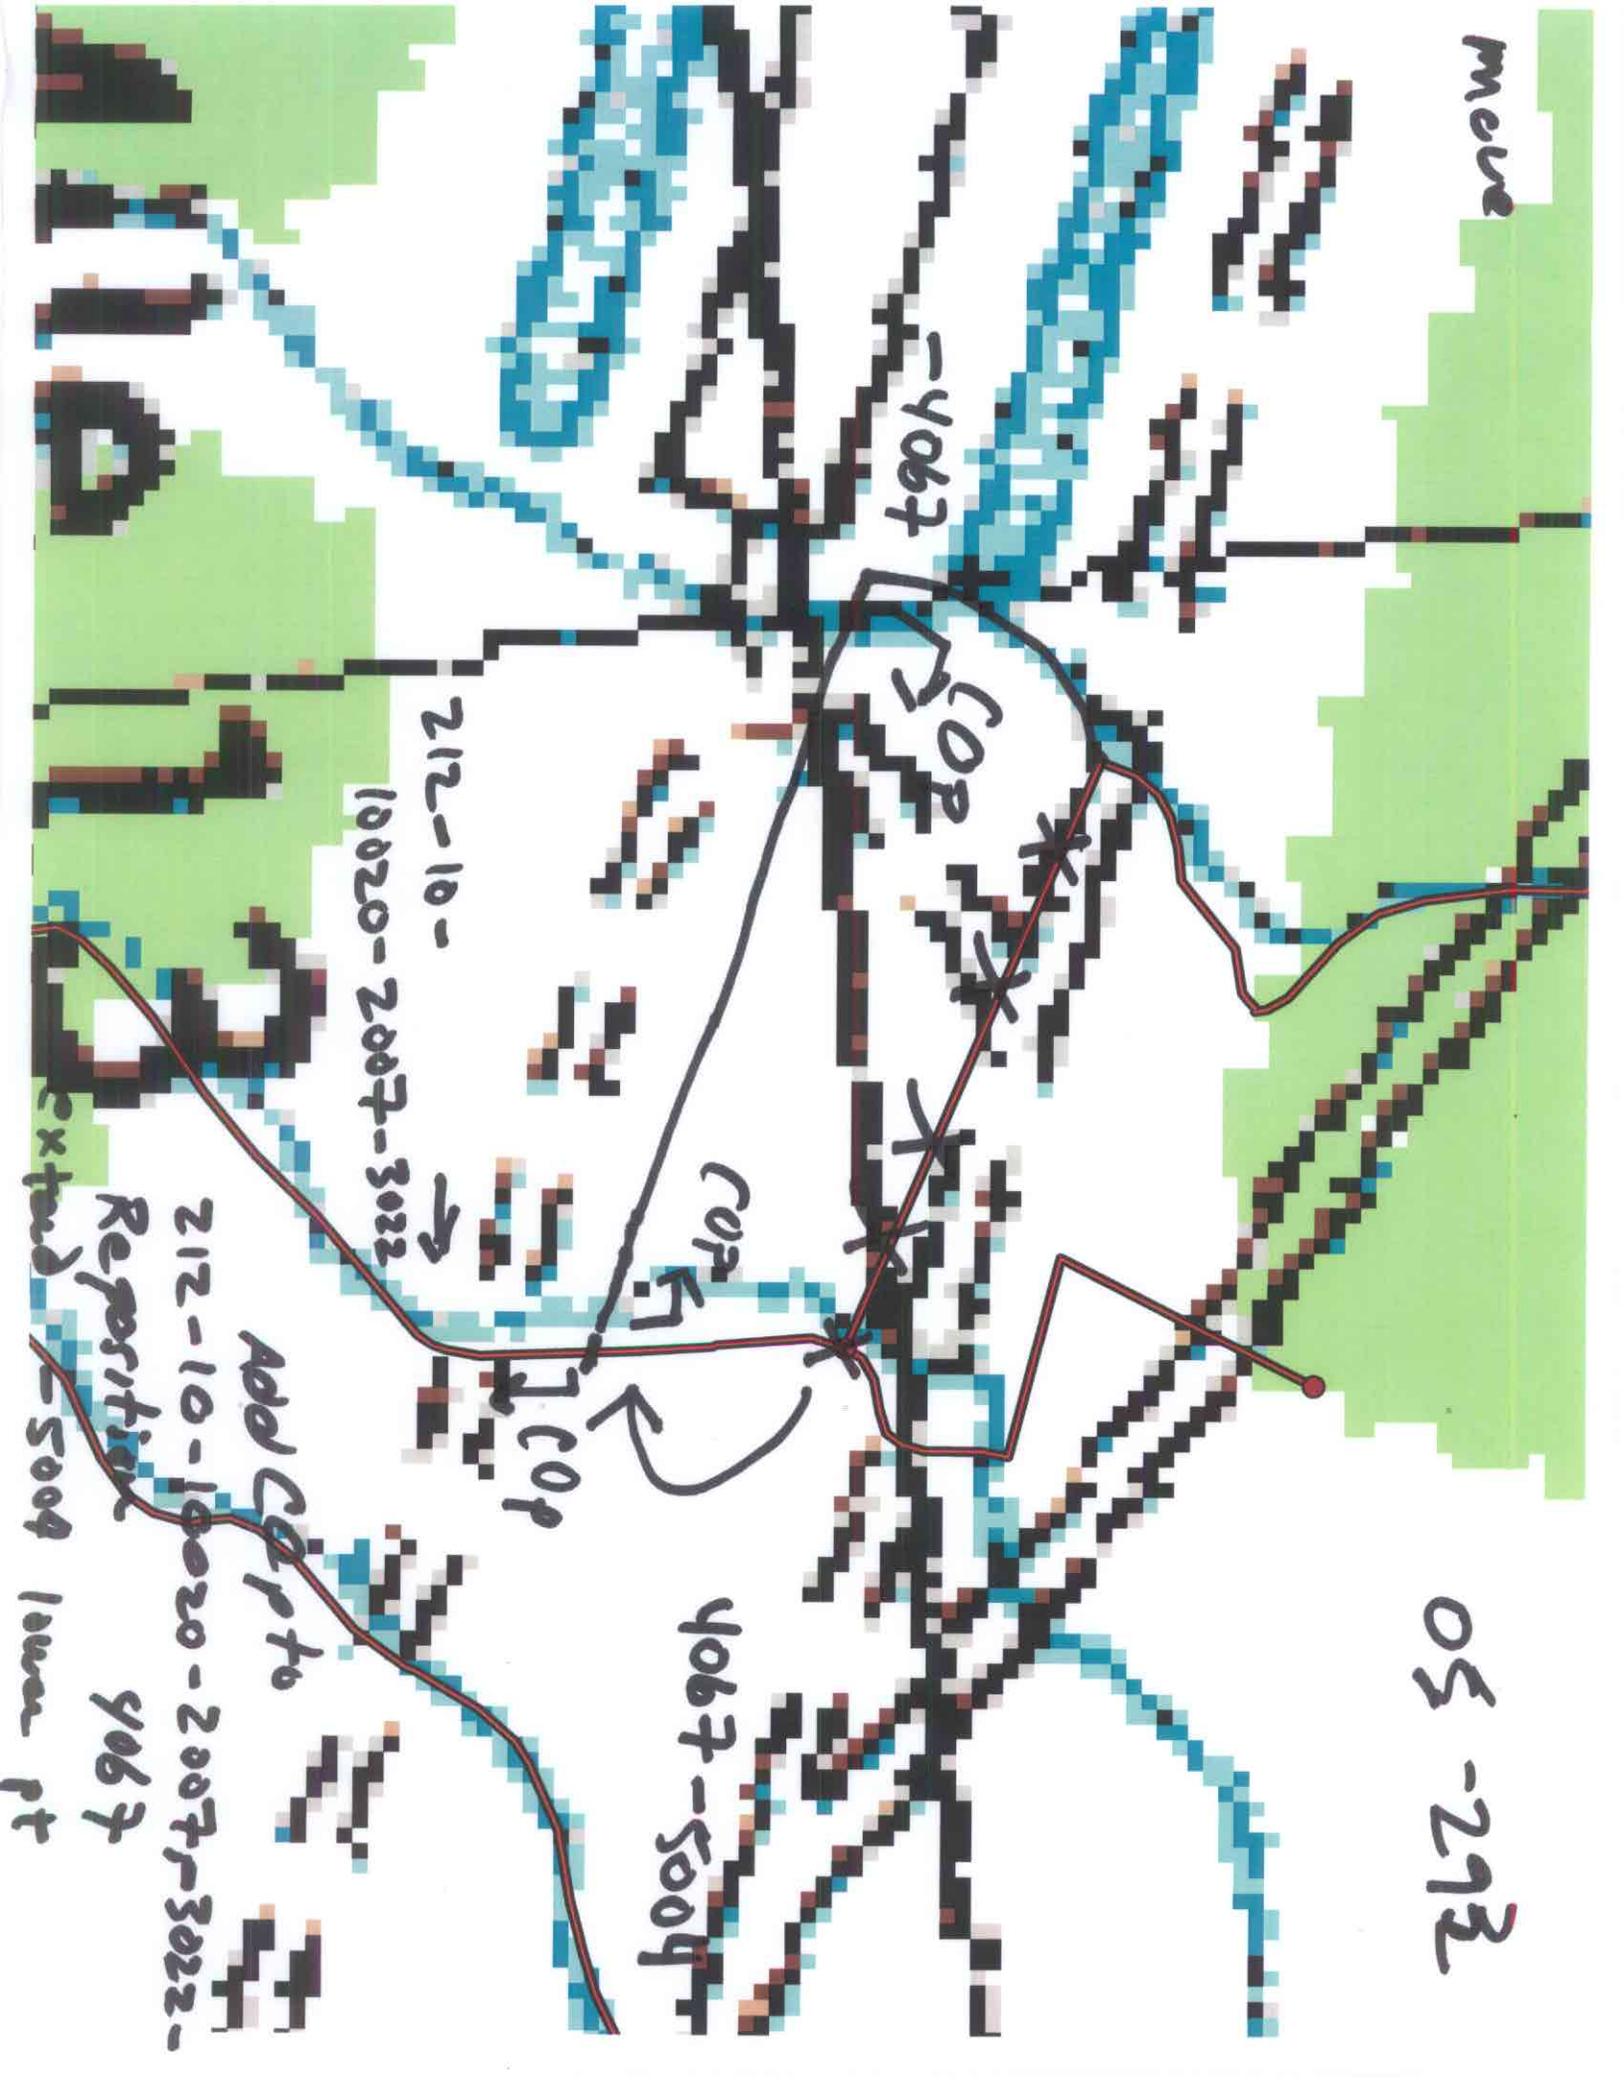

Name of Observer (please print): Betsy McCracken
 Signature: [Signature] Date: 12/8/2005
 Agency: Alaska Department of Fish and Game, Habitat Division
 Address: 333 Raspberry Road
Anchorage, Alaska 99518

This certifies that in my best professional judgment and belief the above information is evidence that this waterbody should be included in or deleted from the Fish Distribution Database.

Signature of Area Biologist: _____ Date: _____ Revision 02/05

3 photos of access to additional long term parking will need to cross Sheppard. Access @ WYPT. 50

WYPT 51 require a new access road that will connect toward UCCG building to access to park leave lots & hangars etc.

10N

WYPT 52 - location of proposed access taxi way to leave lots across the "drainage pond" - photos here.

WYPT 53 - current battery cell photos.

WYPT 54 - Manover Rd. also has a culvert battery WYPT 54

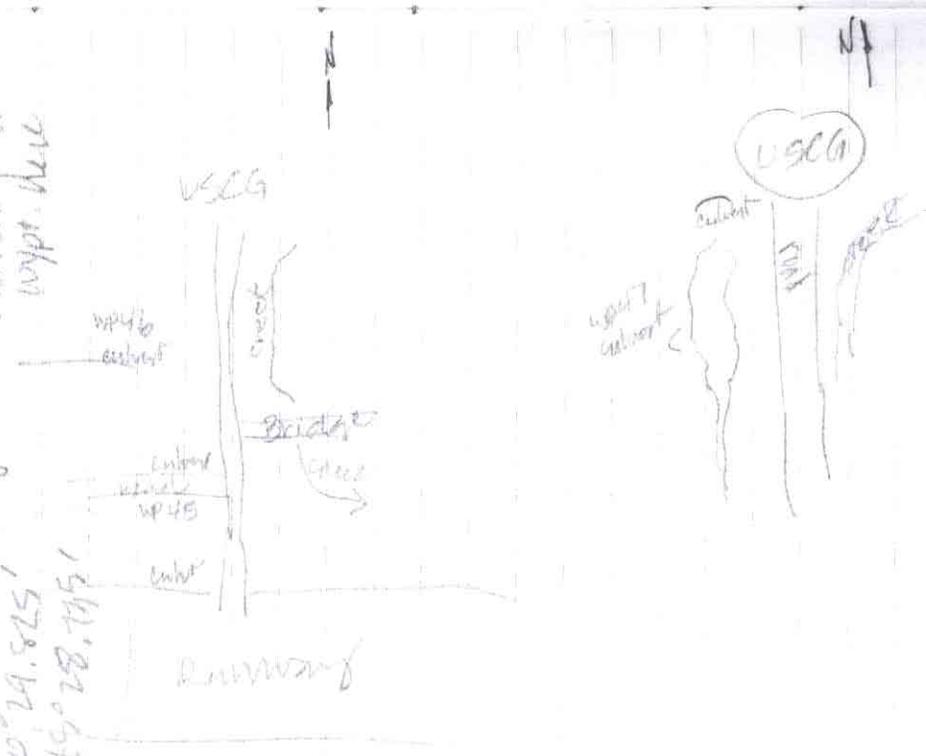

WYPT 46 - culvert

WYPT 47 - east side culvert to intake

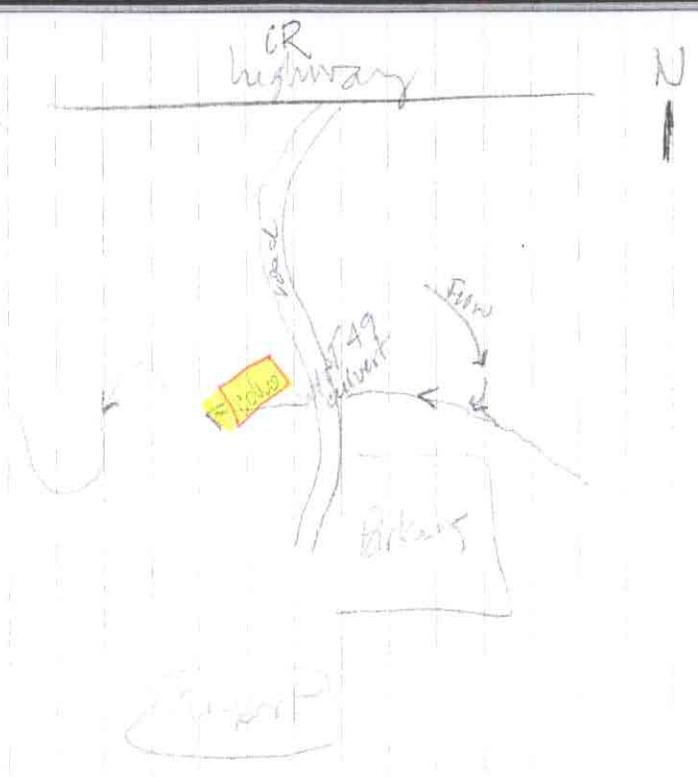

WYPT 48 - culvert battery
N 60° 29.825'
W 145° 28.775'

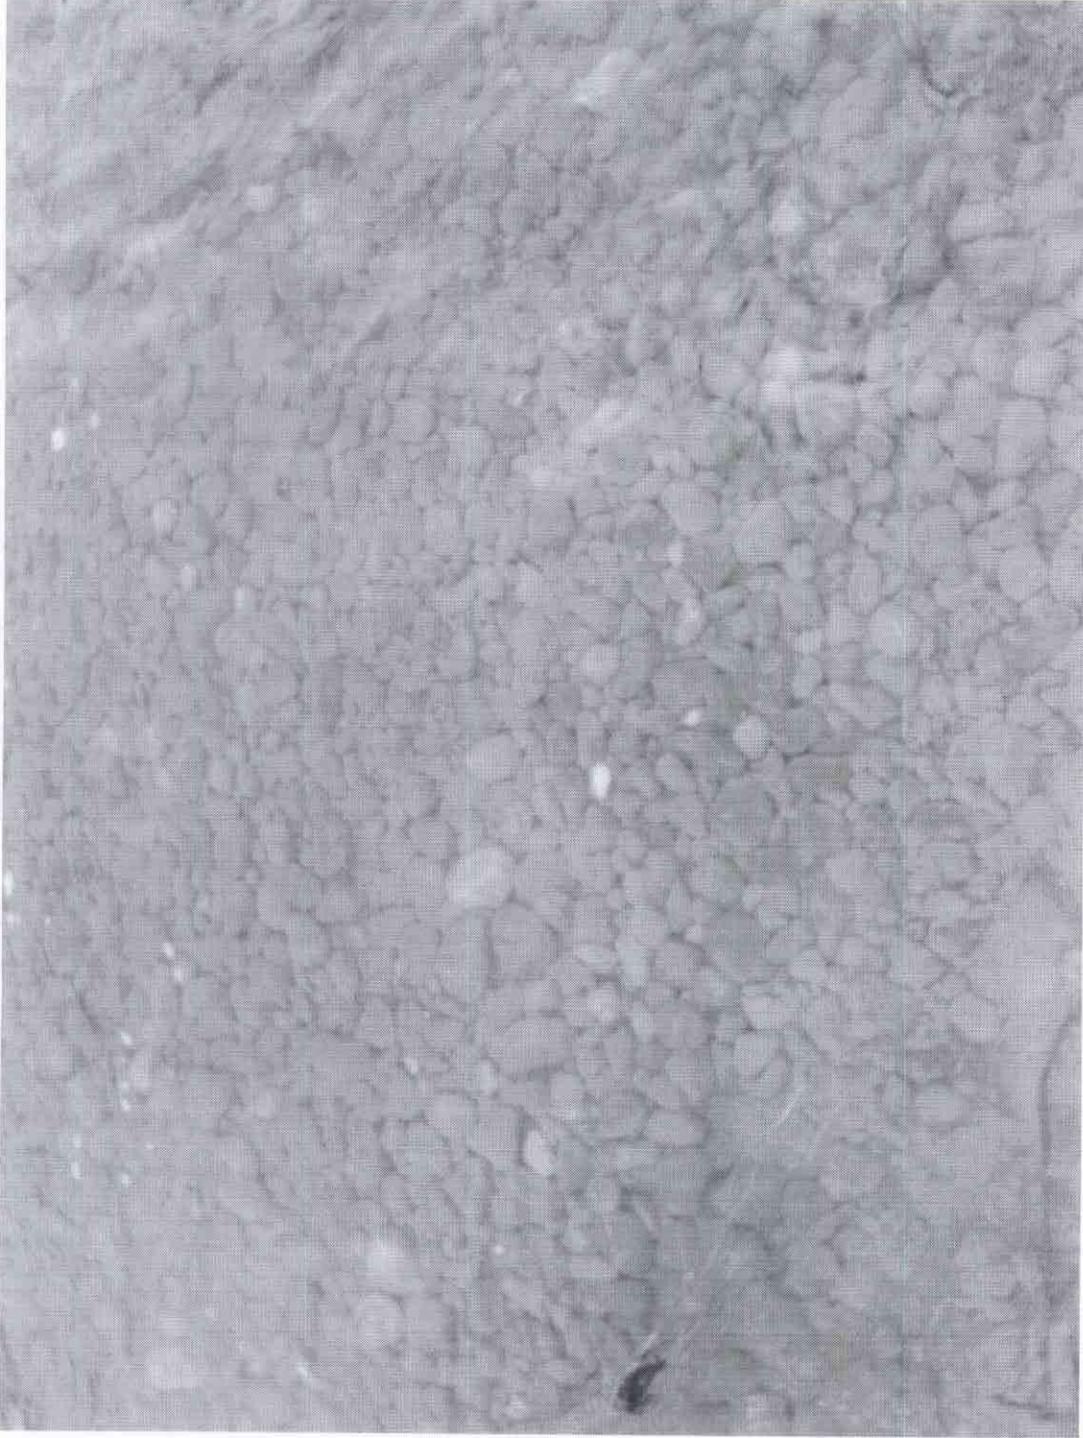

Ops was not working - no WYPT here

WYPT 49 - bridge over creek

WYPT 49 - culvert under road into airport. Heavy base
6' x 6' in here

SUBSTRATE AT CORDOVA AIRPORT
INLET OF 500-ft culvert under runway.
