Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

I have enumerated this area during salmon season since 1975. In 1979 I observed juvenile PS & CS in this area.

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
