Change location of stream # 11450 as shown on map  
I have conducted Pink & Chum salmon counts on this stream since 1975. IN 1979 I observed juvenile Pink and Chum salmon on their out migration

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
