Additional Comments: This nomination provides new information for an unmapped and unnamed stream on Gravina Island. This stream likely joins AWC Stream 101-47-10400, Government Creek, about a quarter mile down stream. This information was collected as part of ADF&G's Fish Passage project. Field crews placed minnow traps at site above and below a project culvert. Trap A was set about 40 feet upstream from culvert inlet and Trap B was set about 70 downstream from culvert outlet. The crew captured 3 cutthroat trout in the downstream trap.
