MESSAGE	REPLY
TO Rick Read, Regional Habitat Supervisor DATE 12/21/93	TO DATE
Enclosed are 2 nomination forms for the addition of streams to the anadromous waters catalog where I would like to use small elipses to identify heavily flooded areas as fish habitat. I have sent the original copies of the maps to Phyllis Weber. Please let her know if she has Headquarters Hassings to add these areas to the catalog Thanks cc: Phyllis Weber	OK Rick
