Nomination # _____

Richard Reed 9/18/85
Regional Supervisor Date

OK SDS 10/23/85

TB 10-15-85
Drafted Date

Species	Date(s) Observed	Spawning	Rearing	Migration
Coho	8/12,15/85		X	
Steelhead	8/12,15/85		X	
Dolly Varden	8/12,15/85		X	

Comments: Provide any clarifying information, including number of fish observed, location of fish survey data, etc.

The entire area indicated by red on the attached map contained excellent stretches of spawning gravel and rearing area. Coho and steelhead fry were caught in good numbers throughout the area.

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.

Name of Observer (please print) James P. Carielli
