Channel Diagram (include bank&stream features, vegetation)

Traps set near open area, eutrophied remains of blown out beaver dam (big one).

Extensive old beaver system, very large downed trees and blown-down in upper section we walked. Upper section opens onto a clearing, otherwise stream skirts steep bluff located on left as you look upstream. Distance (avg.) 30-40

= remains of lg old beaver pond (lots of tall dead trees)

ok as catalogued, but add rearing

192-30-10100-2020

Title 16 Violations seen in vicinity of B-11-2x and B-11-1x

Dense timber throughout

old beaver pond systems inaccessible by air

Cape Yakataga

No outlet, barrier at present flows

No outlet

No outlet

Sand/log barriers, no fish

No outlet

Sand/log barriers, no fish above.
